# Emergence: Complexity in action

# Design for Emergence

## Engage

- Support **authentic expression**
- Encourage **connection**

## Create a space

that holds compassion and curiosity

- Name purpose via a possibility-oriented question
- Invite diversity
- Welcome who and what comes

**seek meaning**  
Reflect together to find emerging coherence  
Listen for generative images

# Breakout Conversations

*What is a disruption you are facing?*

*What did you hear that could inform your approach?*

*What questions do you have now?*
